Support for plugins sold and distributed by Uncanny Owl Inc. is only available for those who have an active, paid plugin license.

Support and updates are granted for one year after the original purchase based on the license you have purchased. For purchases that include an automatically renewing subscription, support will be provided for as long as the subscription remains active.

Automatic updates are available to license holders who have an active and valid subscription and license key. Automatic updates are available as long as the license key generated from the purchase is valid and active.

Should you not receive an email containing your information, you can contact us by email to request your purchase information.
